- A) Local Vendor Preference (applicable to RFQ Process only)

THE PROVISIONS OF THIS PARAGRAPH ARE APPLICABLE, NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS RFQ TO THE CONTRARY

If the apparent low bidder is not a local vendor, any local vendor who submitted a bid which was within five percent (5%) of the lowest responsive bid as determined by the purchasing agent shall have the option of submitting a new bid within forty-eight hours (not including weekends and holidays) of System's delivery of notification. Such new bids must be in an amount less than or equal to the lowest responsive bid as determined by the purchasing agent. If the purchasing agent receives any new bids from local vendors who have the option of submitting new bids within said forty-eight-hour period, it shall award the contract to the local vendor submitting the lowest responsible bid. 8. TIE BIDS:

All other factors being equal, the contract shall be awarded to the local vendor or, if neither or both are local vendors, it may be awarded by the flip of a coin in the presence of witnesses, or the entire bid may be rejected and re-bid. If the General Requirements of this RFQ state that they are applicable, the provisions of the System Local Vendor Preference shall take priority over this paragraph.

9. PATENT INDEMNITY:

The vendor shall hold the System, its officers, agents, and employees, harmless from liability of any nature or kind, including costs and expenses, for infringement or use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with this bid.

In the absence of such notification, System shall have the right to dispose of the samples in whatever manner it deems appropriate.

11. RIGHTS AND REMEDIES OF SYSTEM FOR DEFAULT:

- A) In case of default by vendor, the System may procure the articles or service from another source and may recover the cost difference and related expenses occasioned thereby from any unpaid balance due the vendor or by proceeding against performance bond of the vendor, if any, or by suit against the vendor. The prices paid by the System shall be considered the prevailing market price at the time such purchase is made.
- B) Articles or services, which upon delivery inspection do not meet specifications, will be rejected and the vendor will be considered in default. Vendor shall reimburse System for expenses related to delivery of non-specified goods or services.

In the event that such warranty compliance requires the acquisition of additional programs, the expense for any such associated or additional acquisitions, which may be required, including, without limitation, data conversion tools, shall be borne exclusively by vendor. Such participating Governmental bodies shall make purchases in their own name, make payment directly to bidder, and be liable directly to the bidder, holding the San Joaquin Valley Library System harmless.

OVERVIEW

1. Purpose:

The San Joaquin Valley Library System (SJVLS) seeks quotations from qualified vendors to provide bulk printing of Library Cards for our member libraries. SJVLS member libraries order their library cards as a card and key tag combo.

Historically, SJVLS members, except for Fresno and Kern Counties, have shared a library card design and all members except for Kern ordered library cards through SJVLS. Fresno County utilized a separate design from the standard SJVLS card for their library card orders. From 2016-2021, SJVLS ordered 484,000 library cards, with an average of just over 80,000 cards a year.

In this contract we would like to explore the possibility of allowing more of our members to customize their library cards and are asking respondents to provide two quotations. The first quotation will be for most SJVLS libraries to use distinct, individual library card designs. The second quotation will be for all libraries, except for Fresno and Kern County, using a shared library card design. More information about card requirements can be found in the Scope of Work. Examples of the library card designs can be found in Appendix A. In order to test the durability of library card materials, we are requesting vendors provide a minimum of 4 sample cards and key tags with their response.

2. Background

SJVLS serves the public library systems of Fresno, Kern, Kings, Madera, Merced, Mariposa, and Tulare Counties, and the city/district libraries of Coalinga-Huron, Porterville, and Tulare. In all, SJVLS represents 10 library jurisdictions and 114 individual library locations including large urban, medium city/suburban, and small, isolated rural libraries. [See <https://www.sjvls.org/library-locations> for a map of branch locations.]

SJVLS attempts to provide the member libraries with services that can be performed more economically as a consortium than as individual libraries. These services will be delineated below in the scope of work.

Disclosure of the above information will not automatically eliminate a Bidder from consideration. The information will be considered as part of the determination of whether to award the contract and any additional information or explanation that a Bidder elects to submit with the disclosed information will be considered. If it is later determined that the Bidder failed to disclose required information, any contract awarded to such Bidder may be immediately voided and terminated for material failure to comply with the terms and conditions of the award.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. System Purchasing will chair or co-chair all award, evaluation and contract negotiation committees.

Award may require approval by the San Joaquin Valley Library System Administrative Council.

NEGOTIATION: The System will prepare and negotiate its own contract with the selected vendor, giving due consideration to the stipulation of the vendor's standard contracts and associated legal documents.

Pursuant to Government Code section 25132(a), a violation of the ordinance may be enjoined by an injunction in a civil lawsuit or prosecuted as a criminal misdemeanor.

EVALUATION CRITERIA: Respondents will be evaluated on the basis of their responses to all questions and requirements in this RFQ and product cost. The System shall be the sole judge in the ranking process and reserves the right to reject any or all bids. False, incomplete, or

unresponsive statements in connection with this proposal may be sufficient cause for its rejection.

SELECTION PROCESS: All proposals will be evaluated by a committee consisting of SJVLS staff. It will be their responsibility to make the final recommendations.

Organizations that submit a proposal may be required to make an oral presentation to the Selection Committee or the Administrative Council. These presentations provide an opportunity for the individual, agency, or organization to clarify its proposal to ensure thorough, mutual understanding.

INDEPENDENT CONTRACTOR: In performance of the work, duties, and obligations assumed by Contractor under any ensuing Agreement, it is mutually understood and agreed that Contractor, including any and all of Contractor's officers, agents, and employees will at all times be acting and performing as an independent contractor, and shall act in an independent capacity and not as an officer, agent, servant, employee, joint venturer, partner, or associate of the System. Furthermore, System shall have no right to control, supervise, or direct the manner or method by which Contractor shall perform its work and function. However, System shall retain the right to administer this Agreement so as to verify that Contractor is performing its obligations in accordance with the terms and conditions thereof. Contractor and System shall comply with all applicable provisions of law and the rules and regulations, if any, of governmental authorities having jurisdiction over matters the subject thereof.

Contractor shall be solely liable and responsible for providing to, or on behalf of, its employees all legally required employee benefits. In addition, Contractor shall be solely responsible and save System harmless from all matters relating to payment of Contractor's employees, including compliance with Social Security, withholding, and all other regulations governing such matters. It is acknowledged that during the term of the Agreement, Contractor may be providing services to others unrelated to the System or to the Agreement.

HOLD HARMLESS CLAUSE: Contractor agrees to indemnify, save, hold harmless and at System's request, defend the System, its officers, agents and employees, from any and all costs and expenses, damages, liabilities, claims and losses occurring or resulting to System in connection with the performance, or failure to perform, by Contractor, its officers, agents or employees under this Agreement and from any and all costs and expenses, damages, liabilities, claims and losses occurring or resulting to any person, firm or corporation who may be injured or damaged by the performance, or failure to perform, of Contractor, its officers, agents or employees under this Agreement.

PRICE RESPONSIBILITY: The selected vendor will be required to assume full responsibility for all services and activities offered in the proposal, whether or not they are provided directly. Further, the San Joaquin Valley Library System will consider the selected vendor to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract. The contractor may not subcontract or transfer the contract, or any right or obligation arising out of the contract, without first having obtained the express written consent of the System.

ADDRESSES AND TELEPHONE NUMBERS: The vendor will provide the business address and mailing address, if different, as well as the telephone number and email address of the individual signing the contract.

ASSURANCES: Any contract awarded under this RFQ must be carried out in full compliance with The Civil Rights Act of 1964, The Americans With Disabilities Act of 1990, their subsequent amendments, and any and all other laws protecting the rights of individuals and agencies. The San Joaquin Valley Library System has a zero tolerance for discrimination, implied or expressed, and wants to ensure that policy continues under this RFQ. The contractor must also guarantee that services, or workmanship, provided will be performed in compliance with all applicable local, state, or federal laws and regulations pertinent to the types of services, or project, of the nature required under this RFQ. In addition, the contractor may be required to provide evidence substantiating that their employees have the necessary skills and training to perform the required services or work.
