G. STAFF REPORTS

1. Senior Systems Network Engineer
 - i. Nelson reported that the outstanding Dell invoices have been paid, and the hold on placing new orders has been lifted. He is going to re-quote the Spring PC Order and then get it placed. He asked if any members had outstanding items they would like to order. Jones asked if Mariposa had placed an order. Nelson said they had not and asked Jones to contact him after the meeting to discuss options. Martin asked if he placed an order, and Nelson confirmed he did.
2. Associate System Administrator
 - i. Drake reported that he is compiling a list of each member's BC Analytics users and will make it available when completed so the members can review their current accounts.
3. System Administrator
 - i. Wymer reported that the 3-year and 7-year inactive patron purges were completed over the last 2 weeks. Summary reports are available in the system shared folders. The summary reports show the number of borrowers and dollar amount of debts purged.
 - ii. Wymer reported that the new JasperServer has been upgrade and work is underway to migrate the reports from the old server. He ran into an issue where the bad email address report would not execute, due to a SQL validation process on the JasperServer.
 - iii. Wymer reminded the committee members that SJVLS will be rebranding their logo and color scheme next week. He asked the committee to replace the SJVLS logo in their websites and other materials. Pratt asked if the new logo will be made available to staff. Wymer said he would send a link to the logo files.
 - iv. Wymer asked the committee members to remind their staff that they need to close Horizon clients overnight. He is observed a large number of clients still logged in each morning. Pratt asked if Wymer could send a list of the workstations, and he said he would add it to his morning routine.
 - v. Wymer informed the committee that due to staff shortages, original cataloging is suspended systemwide.
